Mark Goan

Mark,
I'm going to start on this page but if I don't make it to the next, don't get upset. Now just think if I hadn't called you that one night, we never would be together now. Even though we've only been going out for 2 months, and 2 weeks, it seems as if I've known you forever. That is supposed to be a compliment. You're just too nice to me and I think it would be easier for me to leave if you weren't always so sweet. I'll never forget all the good times we've had especially going to the prom. I know you won't ever forget the party afterwards. I don't think you've ever looked so much in your whole life. Then those 2 "wild" parties that I had, and you ended up cleaning up. They just wouldn't have been worth it without you.
Now that you've become a tennis pro, you'll have to play against bigger and better people. I used to be able to win but I don't like to do the dishes, so I plan on. Next year you better try out for basketball or I'll never to win from now on. Next year you better try out for basketball or I'll never talk to you again. I'll talk to Harry and I know he'll practically beg you to be on. I really think that you should become a Yankees fan, then we won't talk to you again. I'll talk to Harry and I know he'll practically beg you to haul to disagree on anything. But since you are still a Red Sox fan, I won't pick on them or you.
Anyways, now that I know I'm staying for the summer you better reserve a lot of time just for me. I'm only working part time so the rest of the time is all for you! Maybe I'll even give you some extra ice cream when you come and visit me. Where ever I move to, you better keep in touch. you have to write, call and visit every day. I wish so much that I could move back here, "but what I want and get are two different things" when you but if we go to Florida, I'll save some room just for you when you visit me I move to Florida, I'll give you a whole room. Then when you come up, you can learn to waterski? Sounds like a plan!
Then probably a million of things that I haven't said, but since you can read my mind then you must know how I feel. I'm glad we talked that one day at the beach and got everything out in the open. I guess that's about it. I hope you can think of as much to say as I have. Don't forget me because I know I'll never forget you. I wish you all the luck in the world with

Whatever you do in life. One last thing, just remember that I love you. All my love, Russ

We the Class of 1981...

...are the first class to have completed four full years in the new high school but we could not have done it alone. Without the help and understanding of the faculty and administration, much of what we have done would never have been possible. Deserving special recognition are our advisors, Miss Dupuis and Mr. Rioux, whose special efforts have brought us so far in such a short time. To you all, this year's seniors express their deepest gratitude.

Special Thanks

Thanks very much, Mr. Carr for such a successful yearbook. The memorable moments will be treasured by all for years to come.
past, he has worked on several yearbooks including Falmouth High School and the University of Southern Maine.

Sincere dedication and his unique talents have made this Organug a prime example of what good leadership qualities can bring about.

Thanks very much, Mr. Carr for such a successful yearbook. The memorable moments will be treasured by all for years to come.

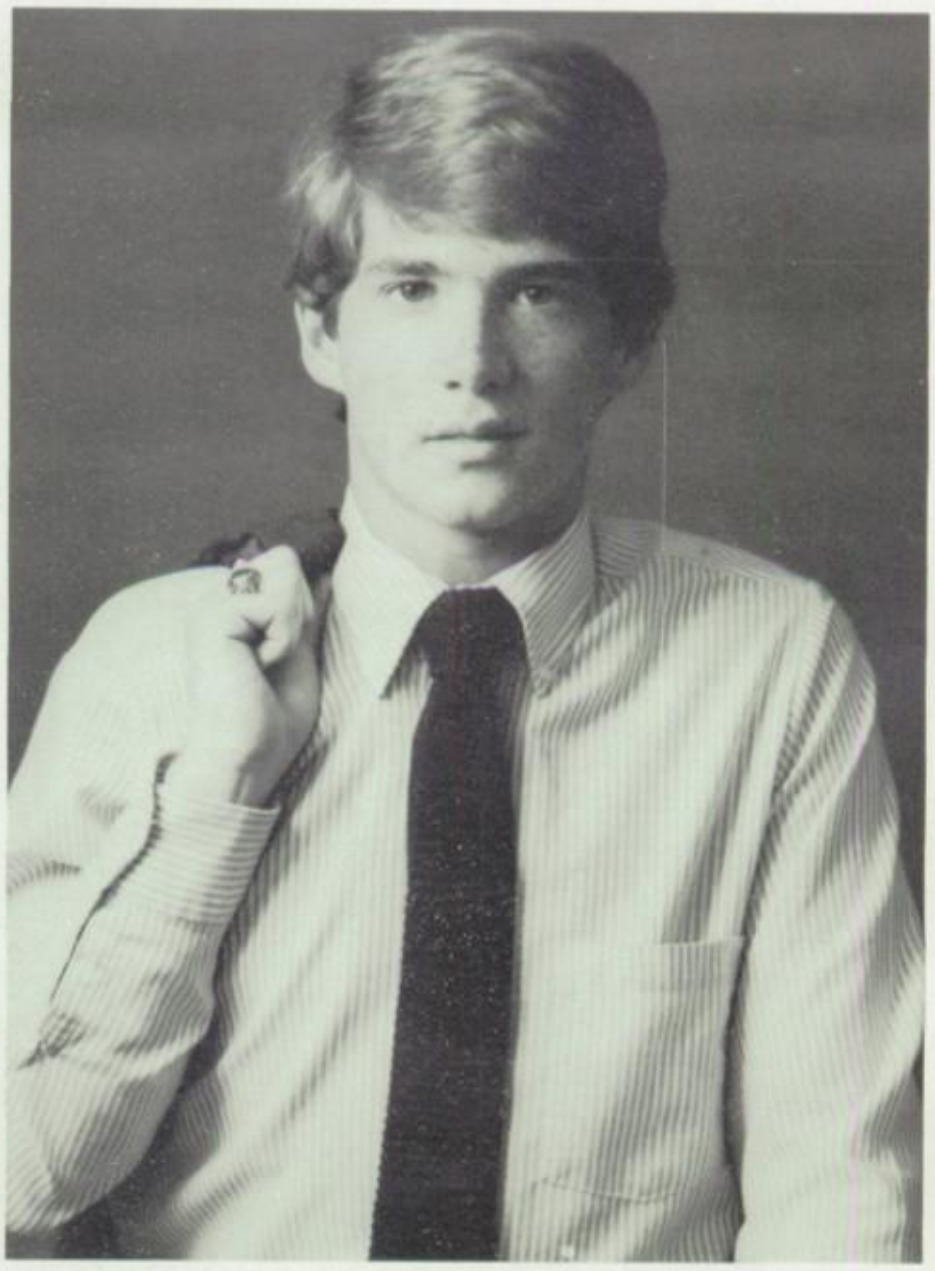
ORGANUG PUBLICATION EDITORS



As the editors of the 1981 Organug, we would like to hereby express our gratitude, appreciation and sincere thanks to all that worked so diligently to make the publication of this book successful.

This year, our main goal was to strive for a very unique book that may somehow reflect the many experiences and good times here at York High School.

As editors we will surely be fulfilled knowing that this book has given you a way to recapture this year's events.

In closing, we, Melinda Todd and John Cooper, would like to wish everyone and most of all, our class the very best in the future!

The first step, which one makes in the world, is the one on which depends the rest of our days.

"The Wildcats proved the best
that day of the Wild, Wild West"

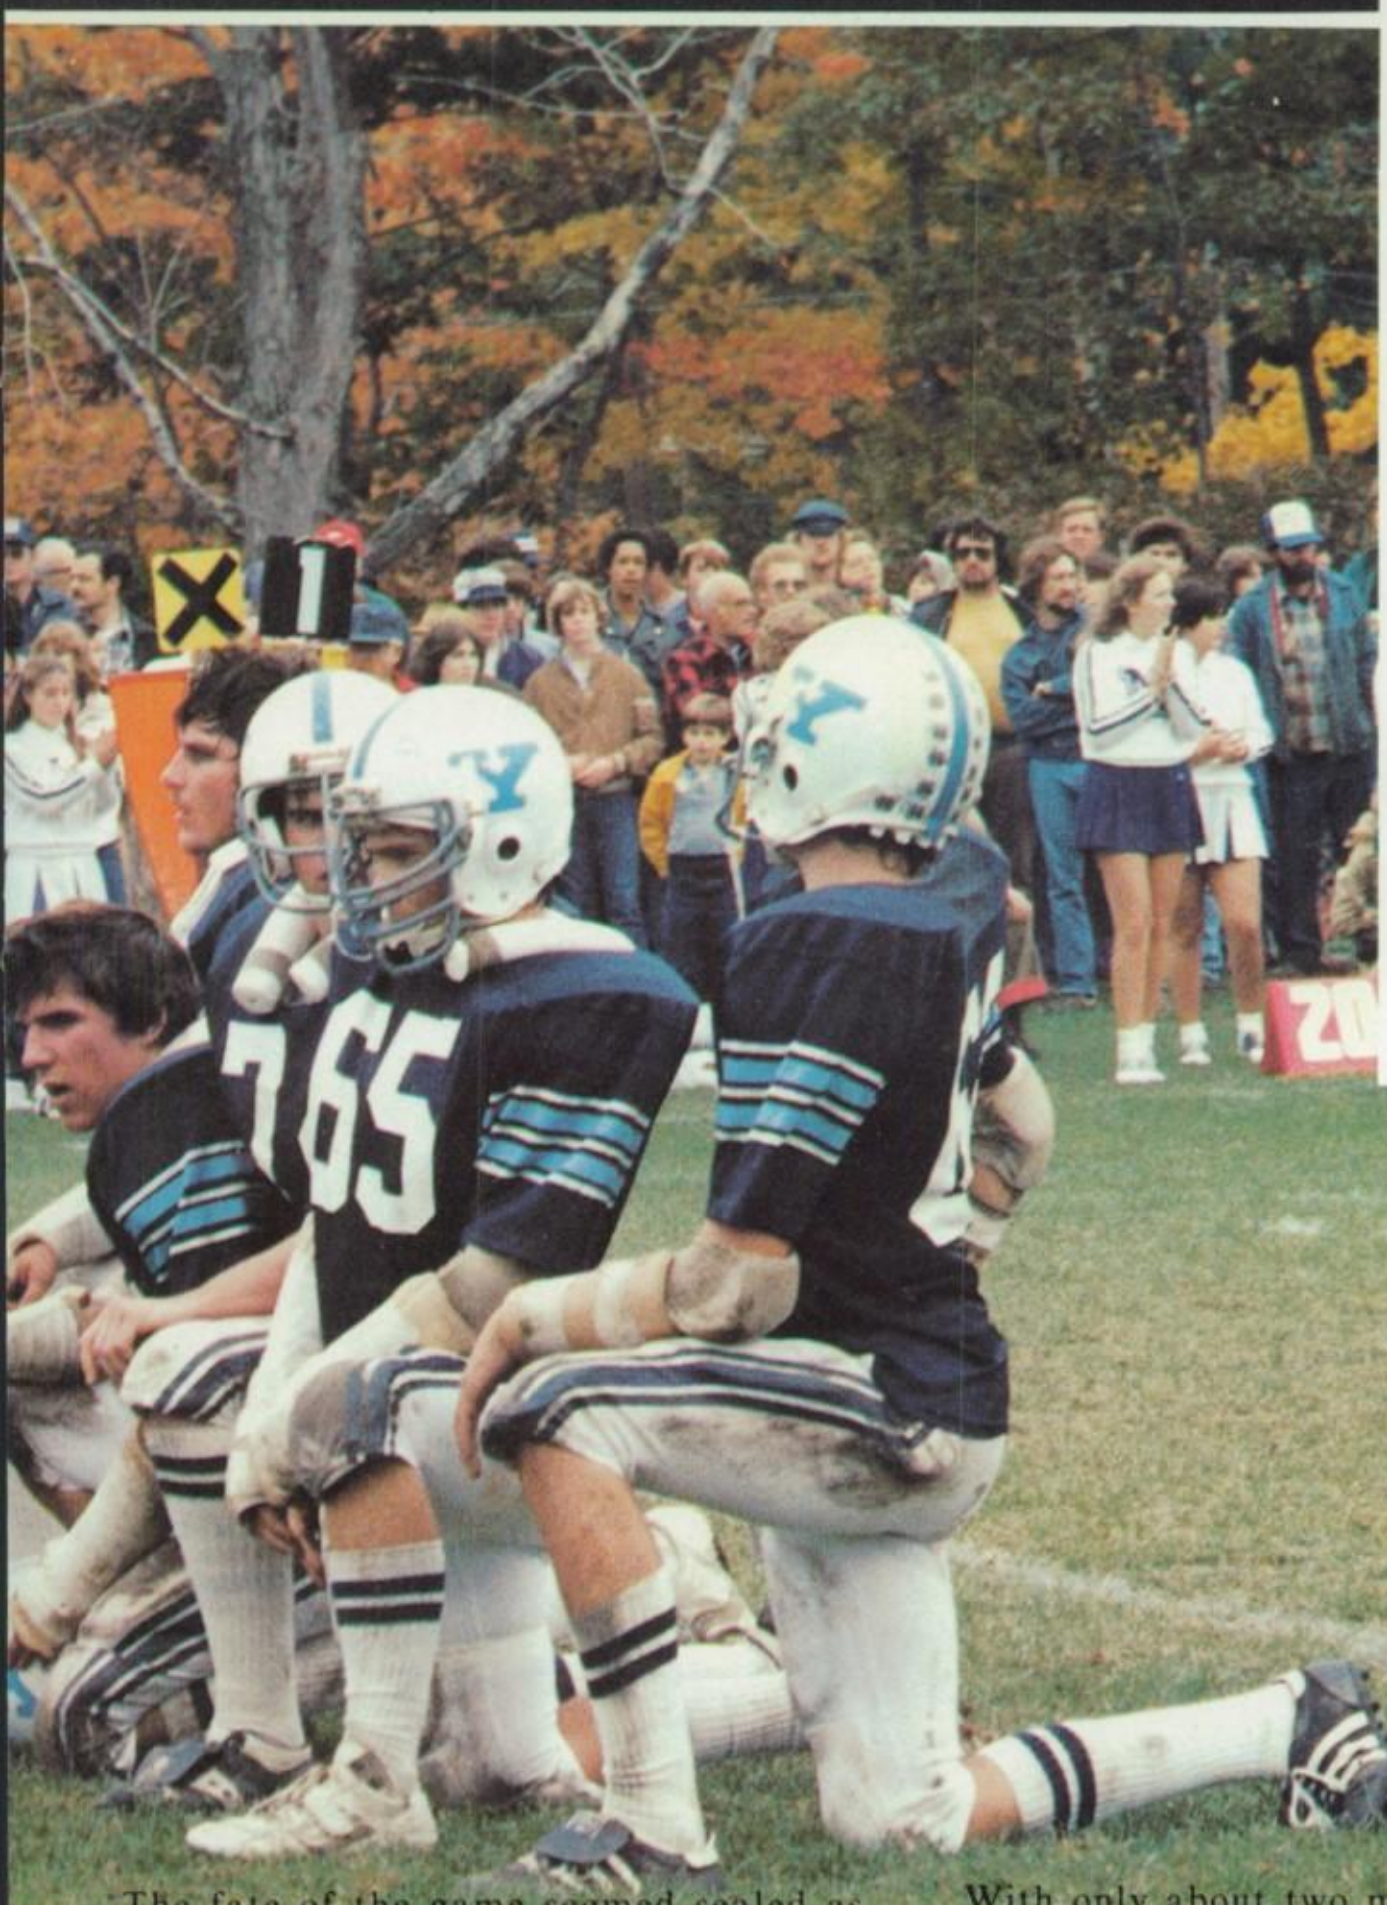
SALOON

It was a week of hats, socks and ties; a week of greased hair, grubby clothes, and punk glasses. It was a week for the blue and the white.

Friday was a day of activities, everything from tug-of-war to scrabble, ending in a pep rally where Coach Welch assured us that victory would be ours. The advance tickets sold in tremendous numbers, and that night the traditional bonfire sparked enthusiasm in everyone.

Saturday morning was wet and dismal, but nothing could dampen the spirit of the Wildcats. Creative "Wild West" floats made their colorful way to the high school, where crowds were already beginning to gather.

By game time, 6,000 people had packed themselves around the field. As the excited voices of York and Marshwood fans filled the air, no one could deny that the game, billed as "the battle of the season," was just that.



The fate of the game seemed sealed as Marshwood scored an impressive touchdown on the opening kickoff, but the Wildcats fought on — eventually building a 13-6 lead. A two quarter stand-off followed.

Suddenly, Marshwood went wild and stormed into a 14-13 lead with only 6 minutes left in the game. The suspense and excitement that ensued brought the Wildcats support like they had never seen before, and they knew they couldn't quit.

With only about two minutes left, York scored a hard-earned touchdown and then scored two extra points. As the last second on the clock ticked away with York in front 21-14, a roar arose from the York side, and football players, cheerleaders, and fans filled the field, all congratulating each other for a job well done.

If I leave here tomorrow ~
Would you still remember me?
For I must be traveling on, now;
...There's too many places I've got to see
...Cause I'm as free as a bird now
And this bird you cannot change
Won't you fly, high ~ Freebird.

In the beginning was the

Kickoff.
The ball flew
spiralling true
into the end zone
where it was snagged,
neatly hugged
by a swivel-hipped back
who ran up the field
and scored.

The game has begun.
The game has been won.
The game goes on.
Long live the game.
Gather and lock
tackle and block
move, move,
around the field
and always the beautiful
the victory.

SYSSA CHAMPS

After years of struggle, the York High Cross Country team finally reached the top. The Wildcat harriers, under the guidance of caoch Phil Richardson, completed the season undefeated. This was a first in over twenty years.

Coach Richardson attributed the Wildcats' success to experience, depth and dedication. Hopefully, these will be the factors that will bring a period of York dominance.

The team was led by junior Chris Goodale and senior Paul Conroy. Also consistently in the top ten were seniors Allen Works and Paul Adams, junior Brett Olsen and sophomores Scott Foster, Peter Stevens and Pierre Puffer. Rounding out the squad were junior Chris Hames and sophomore Richard Chandler.

Mr. Richardson also coached the five-member girls' squad for the fourth year. Two seniors, Maria Seedner and Kelly McIntyre, did an outstanding job while three freshmen, Patience Williams, Theresa Hurley and Meredith Seaman, provided a nucleus for next season.

Maria Seedner, a cross country standout during the interscholastic season at York High, qualified for the Junior Olympics held Dec. 13th at Chennye, Wyoming. Seedner won a berth in the games at an AAU race for the Lakers Track Club. Maria, along with her team, did an outstanding job. The team placed 2nd in the Junior Olympics.

To The Kid On The End Of The Bench

Champions once sat
where you're sitting,
kid.
The Football Hall of Fame
(and every other Hall of Fame)
is filled with names of people
who sat, week after week,
without getting a spot of
mud on their well-laundered
uniforms.
Generals,
senators,
surgeons,
prize-winning novelists,
professors,
business executives
started on the end of
a bench, too.
Don't sit and study
your shoe tops.
Keep your eye on
the game.
Watch for defensive
lapses.
Look for offensive
opportunities.
If you don't think you're
in a great spot,
wait until you see how many
would like to take it away
from you at next spring
practice.
What you do from the bench
this season
could put you on the field
next season,
as a player,
or back in the grandstand
as a spectator.

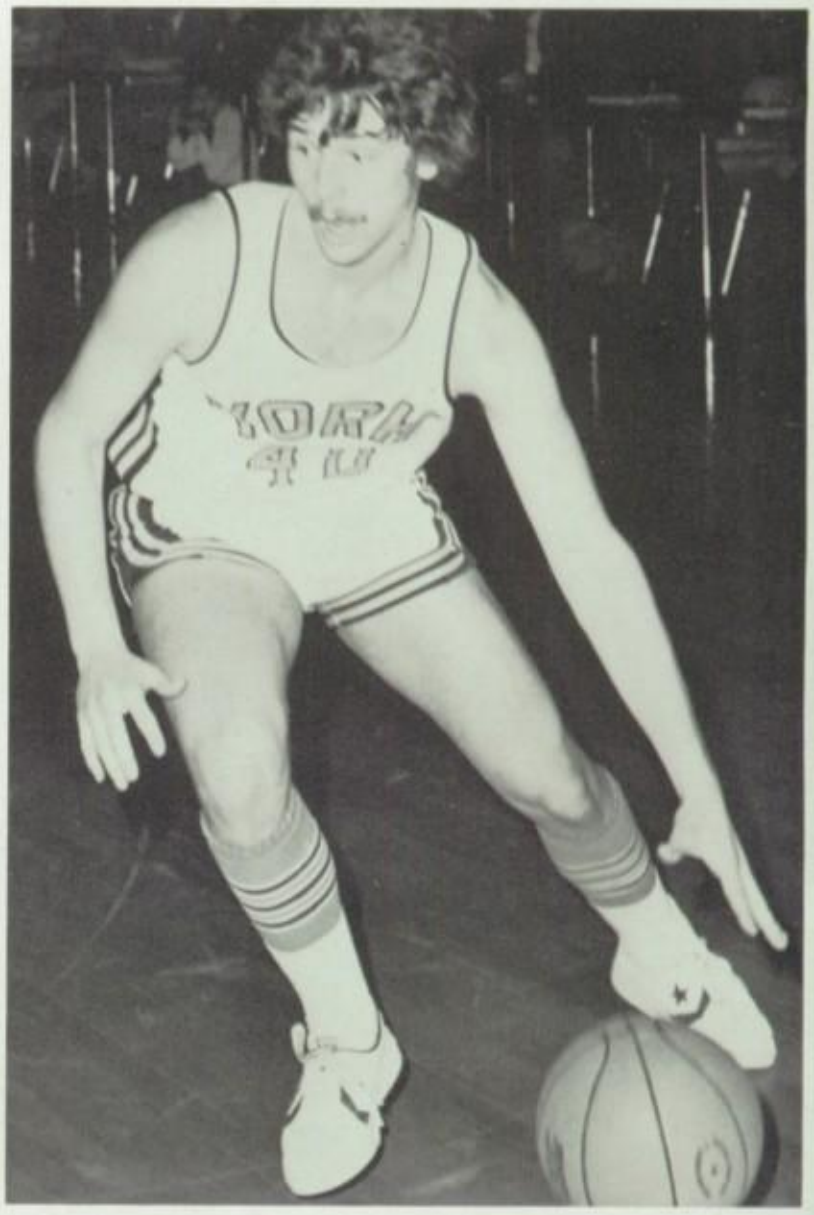
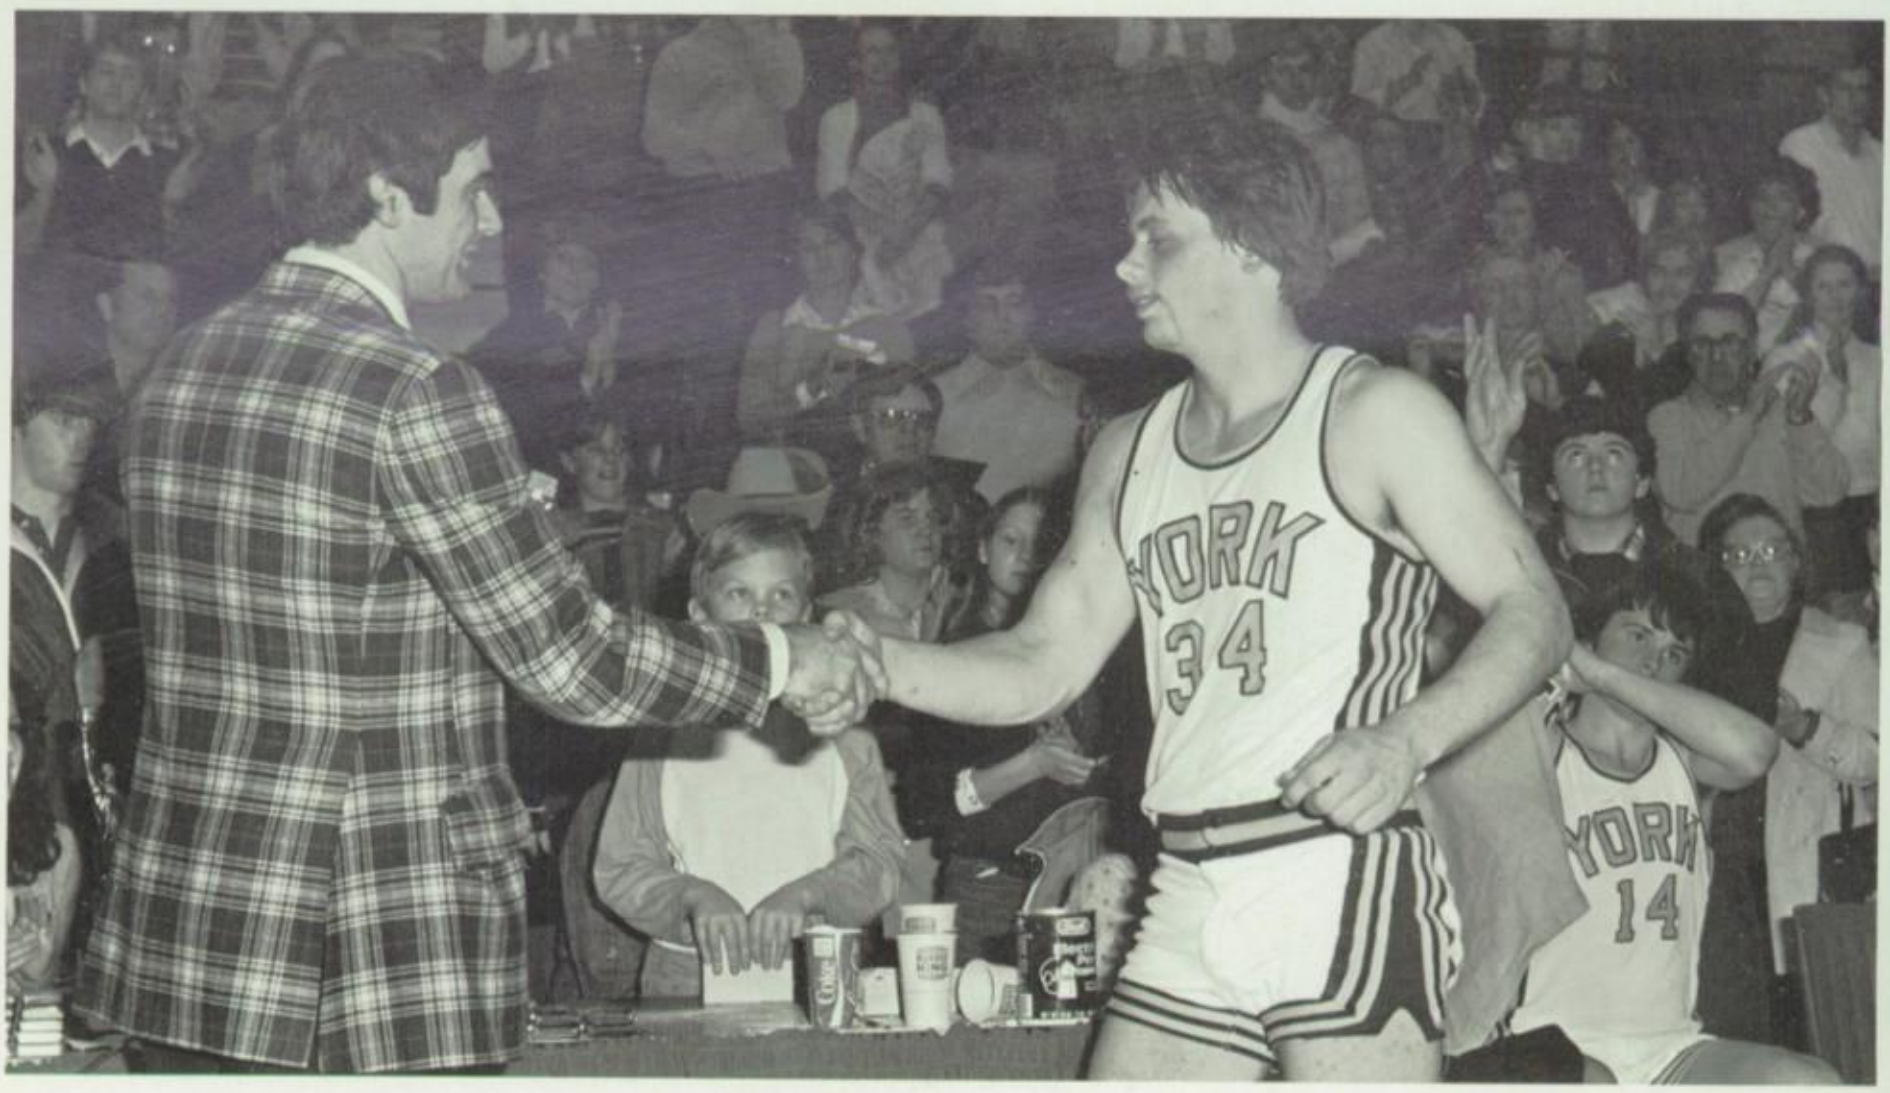
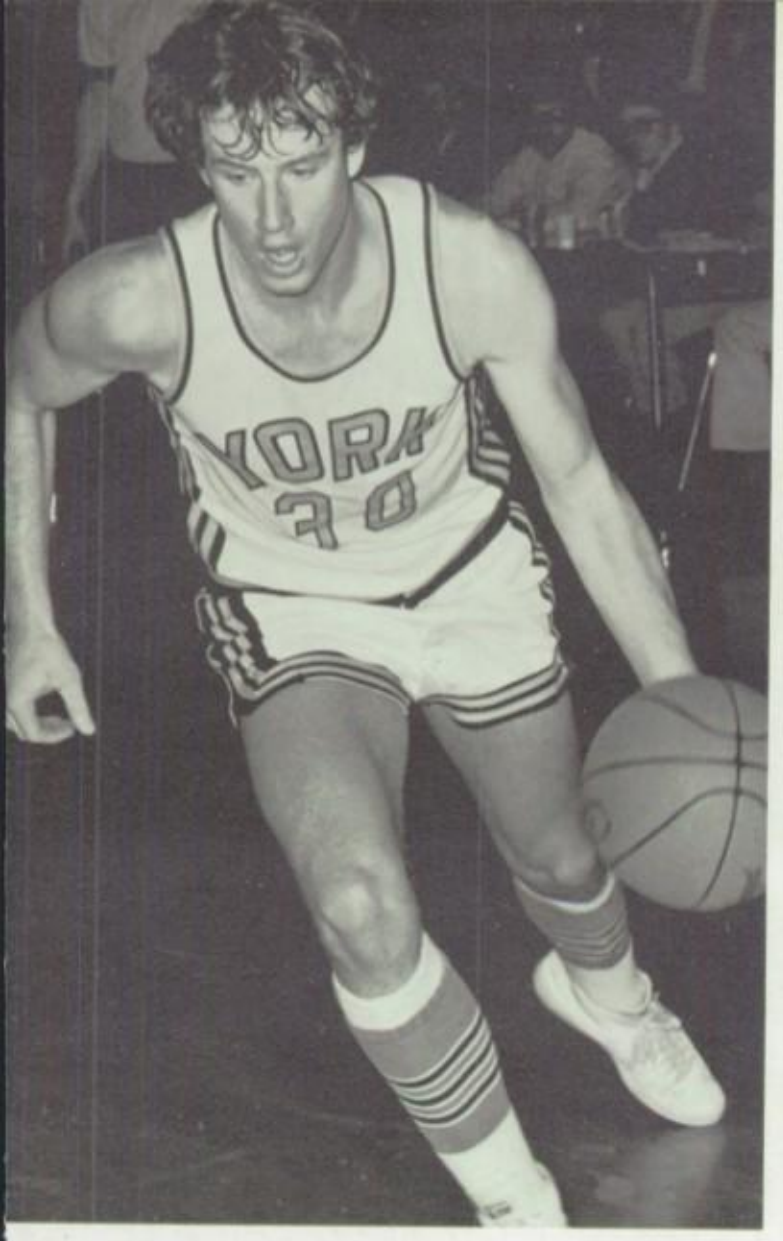
Whoever said York isn't an exciting place in the winter has obviously missed out on watching the Boys Varsity Basketball Team. They filled the gyms wherever they played with admiring supporters and discouraged opponents as they soared through a 15-1 season, thus becoming "SYSSA Champs". Coach Rioux and his team did not stop there. Now, they had to teach a few people at Augusta how to play basketball. The Wildcats played superbly against their opponents and worked their way into the Western Maine Class B Championship game. The 1980-81 team has given York High School a lot to be proud of this year. Being able to know "what it takes to win and how to take it when you lose" is a hard rule to live by, however, it's one rule the Wildcats won't break. Mr. Rioux and his team have done a fine job of molding themselves, not into separate individual stars, but into a solid, determined unit, playing as a whole all year long.







Mark,
We have had some good times in Physics. Good thing I did your labs for you. Well, maybe you did a couple. I hope we have some of the same classes next year. Have a good summer.

Mark,
we had a fun year in Basketball this year, even though we didn't have the best record. I hope you play next year so we can keep the "hands" "eyes" "Legs" "feet" combination. I hope I'll see you this summer so we can play. Thanks for helping me with Algebra this year, I probably couldn't have passed it without you. Mark,
You have been a tremendous aid in the homework dept. this year. I could have done it without you but thanks anyways. Hopefully we'll hit a little better in baseball next year, maybe we'll even a few games. Have a damn good life

Mark,

I think your one of the best kids I've ever met. You really have your stuff together! I can't wait until next years for our state championship in baseball. We will wail. Take care of Lisa, she is a sweet girl! You two make a great couple.

Oh well, so this season wasn't the greatest, but it sure was fun. Have a good summer and I'll see you then.

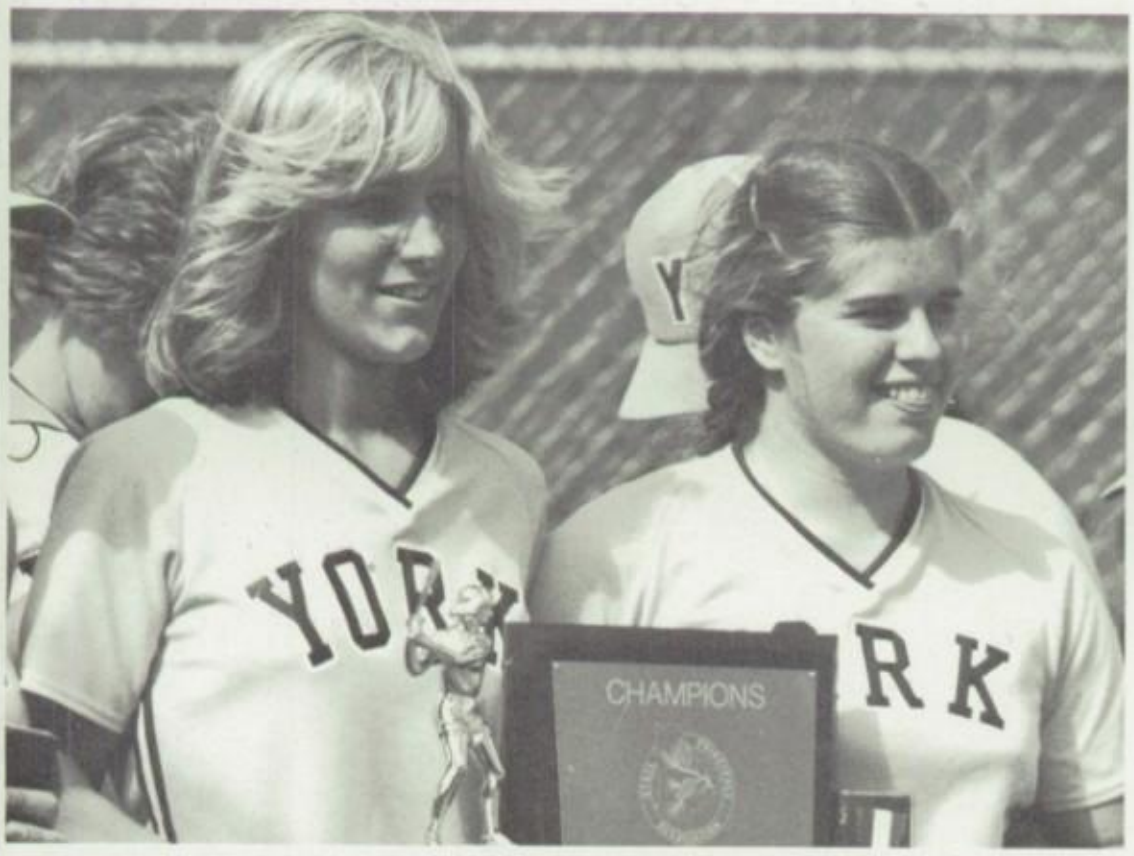
CONGRATULATIONS TO THE 1980 SOFTBALL TEAM



If you've ever climbed to the very top step of a ladder without falling, then you may know the feeling that the 1980 Girls Softball Team experienced in their climb to success. Like all things, however, the ladder did have a few obstacles to overcome, namely being Gray-New Gloucester, Hall Dale and the final step, Sumner High School. The games were played in all types of weather against all types of teams. However, nothing stopped the lady Wildcats! With the team led by Miss Brouker and Mr. Carr, anyone in their way was sure to fall. They stepped on the field for warm-ups at the final game, possibly a little nervous, but with a goal in mind. The winner of the game, of course, was — well, just take a look at the pictures above!

Perry, S. Twombly, W. Logan, P. Nolden, G. Paterson, M. Moore, E. LeBrun, R. Chandler. Absent: M. Gove.

The York Boys' Track Team of 1980 was one of the best ever, perhaps even better than the 1975 edition. As a team, they established 26 school records and 3 league records, as they completely dominated the league in regular season competition by defeating all 9 teams they faced. They, again, won the League Championship, for the third time in a row, running up a whopping 158 points in the process.

The depth of the team was unquestionably the key to this year's success. This depth was most obvious in the two Relay Meets that York attends annually. York placed 2nd in both the Portsmouth Clipper Relays and the Westbrook Relays. These were both best showings ever. All but 3 of the relay team records were broken this year.

As usual, along with the outstanding depth, there were many fine individual performances. Scott Taylor was outstanding as he broke his own school record and established the League Record in the high jump at 6′ 4″, while accumulating 133 5/6 points for the season to lead the team. Scott became only the second York boy to score more than 300 points in his track career, ranking second overall to Ned Grieg in total points.

Sophomore, Chris Goodale, broke Scott Hugo's 1979 record in the 2-mile run with a time of 10:07.9 minutes. Sophomore, Steve Bolster, proved outstanding with two records. He broke Tom Blanchard's 1977 record in the discus with a toss of 150′ 4″ and Rich Wallace's shot record with a put of 48′ 1″.

One of the most pleasant surprises of the 1980 season was the performance of Freshman Peter Stevens. Pete broke Mike Smith's 1979 record in the 330 Yard Intermediate Hurdles with a fine time of 41.7 seconds. Pete also scored 77¾ points to break the Freshman scoring record previously held by Rob Berry.

Without question, however, the most electrifying performances of the year were turned in by the two relay teams. Six consecutive times the Sprint Relay Team of Jeff LaPointe, Rich LaBonte, Fred Hinesley, and Jim Pidgeon broke the school record finishing with a League record and a best clocking of 45.6 seconds. The Mile Relay Team wasn't far behind with several records of their own and a final best of 3:35.6 minutes with their own League record. This team consisted of Mike Hajosy, Gary Barr, Peter Stevens, and Rich LaBonte.

Mark,

I'm glad that I got to know you this year in basketball. You are a very good player. You and Lisa are a very good couple. Stay with her for as long as you can. I hope I see you this summer and next year in school. Good luck and have fun.

Peter

GIRLS' TRACK

A number of girls of York High school started their intense training for this year's track season. After school, girls began to run and exercise vigorously. It was obvious that the excitement and enthusiasm of these girls still holds for the 1981 Wildcat's season.

Mr. Patten and his squad of girls had a successful season. Last year, Maria Seedner pulled quite a load for the girls' track team, winning the mile and two mile, again setting the school record. Last year's mile relay team broke the school record with returning veterans such as, Kim Hinesley, and Maura Estes. These girls all excelled in their running, while Sandy Glynn did a fine job in the high jump, breaking the school record of 5′ with a height of 5′ 1½″. Lilly Leonard, a senior, is very strong in the shot put and discus. An underclassman with a fine performance was Joy Bolster, in the discus. Another one is Missy Ackerman who won SYSSA for the javelin. She is working very hard to meet the standards of Kathy Calo, who holds the school record with a throw of 155.5¼.

If you were ever present at a girls' track meet you could surely see the dedication and effort these girls put into their individual performances.

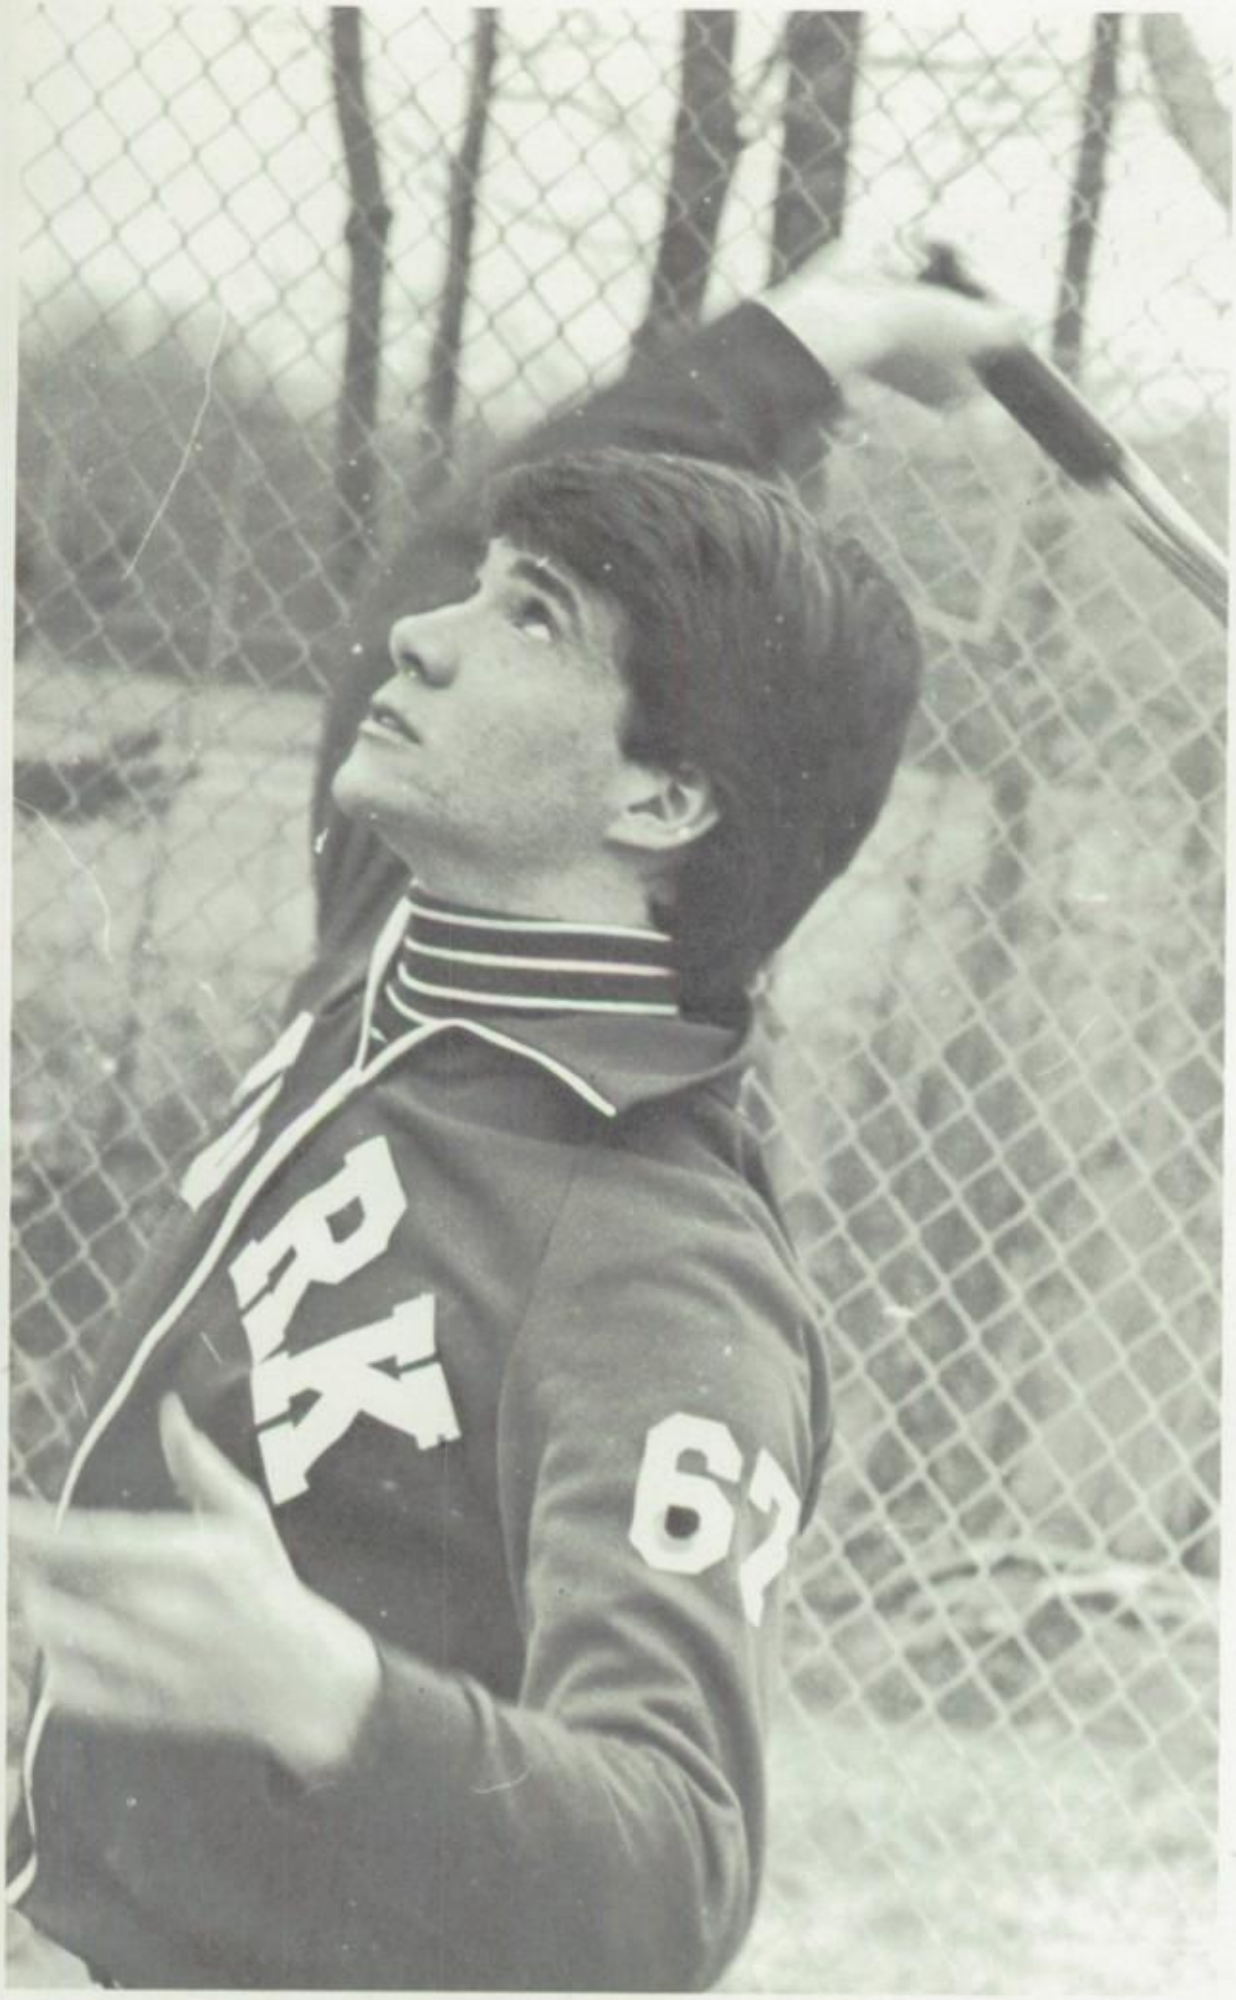
GIRLS' TENNIS

Around the end of March, it began to become obvious that the tennis season would soon begin. The newly purchased white tennis sneakers and pastel Lacoste shirts became more numerous around school. Oftentimes, you could hear two girls talking about plans to play at the "Barn" or the "Club".

For the girls' team, the 1981 season meant new faces, a new team, and, as always, new hope. With Mrs. Gloria Perkins taking over the coaching position, the returning of experienced players and support from many other members, the 1981 season had a very bright outlook.



BOYS' TENNIS

When the tennis season began, the days were still brisk, the leaves were beginning to sprout into greenery, and the hopes were high.

For the boys tennis team, it was a question as to whether they could uphold the record of the past two years. The immediate goal was to again obtain the SYSSA title and move on to states. Two senior boys, Jerry Tatlock and Steve Young, would again prove to be a main source of strength for the team. Jerry was busy making his senior year his best ever, being ranked number one in his age group in Maine.

Mr. Rioux again pursued coaching the boys' tennis team. His success at coaching sports has certainly not been limited to basketball or football. His ability to teach and advise seems to be as effective as his manner in communicating with the students of York High School.

ACTIVITIES

The York High School Band should be found guilty for their performance this year. In our investigation we have found that no matter where they perform, they steal the hearts and attention from their listeners. However, this comes as no surprise, with a band director such as George Perkins and the chorus headed by Laura Clarke, this group of people could go nowhere but straight to the top.

In the fall of 1980, the band played triumphantly through a winning season of football, along with becoming State Champions. The Pep Band carried on throughout a winning basketball season and followed their team to Augusta for the state finals. It's becoming quite obvious that success follows Mr. P. and h gang wherever they go!

The band found a perfect way to use their ener this fall by holding a Marathon Weekend. It began a Saturday with a home Wells football game. Fo hours later Miss Clark and the chorus sang with t Brass Choir at area convalescent homes. The day w topped off with nonstop entertainment from the Sta Band and other members who played from eight t midnight.

With Christmas just around the corner, prepar tions were made for the Christmas and Pops Concer Both events were successful in bringing out a gre

number of listeners from their snug homes into the cold, sub-zero weather. Not only do the band and chorus play for the "older generation", but they also hold Middle School and Jr. High Assemblies. The most gratification comes from playing for their own fellow classmates in a High School Assembly. The student body is proud of the band and chorus and respects the talents that they possess.

In speaking of talent, there was also an Area Music Festival in which York's band and chorus participated with fifteen other area schools. Each band played one night at different schools and the stage band continued the next night. We are proud to say that several of the members were chosen to play in the Southern Maine Music Festival as well as being chosen for All-State.

For most bands at this point the enthusiasm would slowly slip away, but we don't have just any band. Their spring show, held in Gardner, Mass., had the same invigorating sound as any performance in the fall. They marched and played their way through a superb Memorial Day Parade. The year drew to a close with the band and chorus playing at the Graduation events.

The York High Band and Chorus has what it takes to be #1. Their sound generates enough energy to handle any shortages that we may have!

During the third week in June, five Boys' State representatives were selected to attend the University of Maine at Orono Dirigo Boys' State. Here they stayed for one action-filled week to gain knowledge and to participate in everything from a town meeting to the election of a governor. They became members of new towns and new political parties. The boys returned home the 20th, and the girls spent their week in much the same manner.

The delegates heard from guest speakers who spoke on the importance of involvement in government, along with the many departments it entails. A long-distance phone call from Washington from Senator Bill Cohen was an unexpected treat. For all nine of the delegates, it was an educational experience and one that will be remembered.

Last year, a new program was introduced to York High School by former school instructor, Mr. Michael O'Keefe. It was the National High School Model United Nations Team.

Students interested in trying out for the team had to take an exam and give speeches. The top fifteen students were chosen and represented the German Democratic Republic. For four months they independently researched the assigned topics for their committees.

The NHSMUN Team then traveled to New York City. They stayed in the New York Statler Hotel. It was a very good place because it is situated right in the heart of the Big Apple. The accomodations were expensive and they had to sleep in quads that were actually singles, but with fringe benefits like room service at their fingertips, it was well worth it for all the students.

Ten of the fifteen students held major office positions in their sessions. Some also held the position of Chairperson of the Eastern Bloc Countries. This was an outstanding accomplishment considering that there were only ninety office positions available throughout the entire UN and over 2,000 students nationwide competed for those positions. The proposals drafted passed in the General Assembly, and thus their goal was accomplished.

The York High School team was the only one that was able to meet with U.S. Ambassador to the UN, Donald McHenry. This was a personal honor for all the students. They were able to discuss current world issues with him and received personalized autographed pictures from him. Students and advisors were also

NY

individually complimented by the Under-Secretary General to the UN. They were later ranked in the top five schools of those participating nationwide.

Between their meetings, which usually lasted from 9:00 a.m. until 1:00 a.m., the students found time to take advantage of many of the cultural and social benefits of New York City. All of them watched the original casting of Chorus Line performed in New York's Shubert Theatre on Broadway (We don't know that person!). It was extremely exciting!

The students did more things in a week than most people could only dream of doing in a month! Sightseeing, with the tourist, took them to many different places and sights in New York City including the Empire State Building; Statue of Liberty; Staten Island Ferry (Oh Nooo, New Jersey!); Wall Street and the Battery; World Trade Buildings; Greenwich Village; China Town; Madison Square Garden; Museums; Central Park; Mama Leones' (Where's Maine?); Park Ave and 5th Ave; Macys'; Top of the Park in the G and W Building; a couple of Harlems; and of course the United Nations!

Their feelings toward the entire trip are best stated in four small words, WE LOVE NEW YORK!!!

The interest and enthusiasm for the team this year was great. This year's advisor is Social Science teacher, Mr. Richard Paine. With the help of five returning veterans and their advisor, the newly selected team has been preparing for this year's trip. They will be representing Jamaica and also hold the Spain Security Council seat. They have a hard act to follow but we all know that they will be successful in their endeavors in the Big Apple.

STUDENT COUNCIL

The Student Council held their election for the new year early in the fall. With the incoming officers at hand, preparations had begun for the year's activities. Plans were made for homecoming and the field day events. A spectator bus for the championship football game was also a prosperous item. Near the middle of November and early spring our annual Blood Drives were held, topping 50 pints each time. Our school store and the basketball concessions have been vital money making projects. With the money earned, we have helped toward the directory signs around the school and the sending of a girl and boy to attend Dirigo Girls' and Boys' State.

KEY CLUB

The Key Club has made major contributions to ours and neighboring communities. These include such things as making Easter baskets for the elderly at the Harbor Home and going Christmas caroling around town. Last year they participated in the Kiwanis Bike-A-Thon to raise money for the Portsmouth Rehabilitation Center.

The Key Club has been revived in York High and is a new club. The club won the New England District of Key Clubs Membership Awards trophy for their renewed interest.

For the first time, last year the club originated and presented the Virginia W. Parsons Student Service Award, to Mrs. Parsons. This award will be given each year to that faculty member whom they feel has unquestionably aided the students of York High School the most.

The York High Key Club is sponsored and works in conjunction with the York Kiwanis Organization. The Key Club submits an article each month that is published in the Kiwanis newsletter. Several Key Clubbers attend Kiwanis Monday night meetings held at area restaurants.

FRENCH CLUB

Each year, present and former, French students get together and form the French Club. This year was no exception with a variety of students turning out. Miss Bisson heads the club and is very experienced in doing so. They often meet and discuss new, inventive ways to make extra money. Their annual outing for dinner is always fun and exciting. Last year, it was an excursion to the Le Rendezvous. This year, the club had their Christmas party with the German Club and was a fun experience. Bonjour!

GERMAN CLUB

Frau Chappell heads the German Club and does a fine job in doing so. She lived in Germany for awhile and has been able to give the club new ideas that keep with the country's traditions. Their annual Christmas party is usually celebrated with the French Club and an occasional outing to a German restaurant is among their list of activities. The club is also active in raising money by means of flea markets and bakesales, which often feature soft pretzels. The members have certainly learned new customs and have applied them here at York High.

Mark,
I can't wait to go back to work at spillers.
If you need help out front I be glad to help you.
It's been a great year for me in York,
And you and Every body else from spillers
made it easy for me. I'm sorry
to hear Lisa is moving. I hope you had a
good year in school. I'll see you June 27th

Mark,
have a good
one
- Niels -

Hey Marky,
I'm sorry but this is
ridiculous. A one liner. I'd
never write one line.
Never. Never. (see, I've already
written 4 lines and I've said
absolutely nothing) Seriously now,
I really like you Mark, you're
a great kid. We had a good
time in 3rd period gym
class. You take it easy with
Lisa ya here.
David Nelson
